

CULLIGAN® MINERAL BOOST CARTRIDGE

Product Features

TASTE THE DIFFERENCE CULLIGAN WATER CAN MAKE.

Culligan® Innovation and Reliability.

The Culligan® Mineral Boost Cartridge was designed for the Culligan® Aqua-Clear® Reverse Osmosis Drinking Water System to deliver the same high quality, reverse osmosis water with a new pH balance benefit! The Mineral Boost cartridge adds just the right amount of natural calcium minerals back into reverse osmosis water to create amazing tasting, pH balanced water.

MINERAL BOOST BENEFITS

- Raises RO water TDS by 20ppm to 30ppm
- Raises RO water pH by 1 to 2 pH
- NSF 42 and CSA B483.1 certified

Culligan Water™

CAUTION: Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system. The contaminants or other substances removed or reduced by this water treatment device are not necessarily in your water.

Products manufactured and marketed by Culligan International Company (Culligan) and its affiliates are protected by patents issued or pending in the United States and other countries. Culligan reserves the right to change the specifications referred to in this literature at any time, without prior notice. Culligan, Culligan Water, Aqua-Clear are trademarks of Culligan International Company or its affiliates. Dealers are independently owned and operated.

Culligan's Mineral Boost Cartridge has been certified by NSF International which assures your Culligan Filter has been tested under the highest of industry standards.

*All Culligan products are backed with a 100% Satisfaction Guarantee. If you're not completely satisfied with your Culligan Product within 30 days from the date of purchase, we'll refund the purchase price. Dealer participation may vary.
